ACADEMIC YEAR IN FRANCE**

TESTIMONY

MICHELLE D.
16 Y.O.

FROM OREGON

ONE ACADEMIC YEAR IN FRANCE
FROM AUGUST 2021 TO JUNE 2022

"I like the **diversity of the French landscape**. Personally I love nature and that's why I find it very pretty here. I live in a town in the mountains, but where we were during the holidays it was very green with no mountains.

I also like the mentality of the French people: many **people are so open and happy**. And also I like very much **French desserts and the bread**; it's really good. At Lycée in the canteen, the meals offered are very varied, and that's great. Also, I think it's really good that **we always eat dinner together as a family** (even if we eat quite late)."
